Independent Artist Compilation

NSIM is now soliciting your best pre-recorded original songs for the NSIM Indie Artist Compilation.

All necessary sound engineering will be made to the accepted material for the finest quality in sound before they are mastered to the NSIM Indie Compilation CD. When the NSIM Indie Compilation is complete,

NSIM will market these prospective new hit songs by the original artists to NSIM's local, national and International affiliates for review that could lead to a musical contract signing.

NSIM will act as a 3rd Party to any negotiated recording or contractual agreements with the Indie Artist, Copywriters' Owner or Singer/Songwriters involved in contract signage or ownership transference.

NSIM will play selections from the NSIM Compilation at all of its engagements and events.

Indie Artists that are included in the Indie Artist Compilation will be asked to perform and be recognized for their songs and get to showcase their abilities on stage. Radio and Television personalities will be invited.

The major labels will also be contacted for these events to get to see and interact with the Indie Artists.

All Indie Artists will be presented a release form for review and signature by Indie Artists for each song selected for the NSIM Indie Artist Compilation.

By signing this release form the Indie Artist will not lose any of their Copywriter Ownership or Musical

Royalties of the released materials submitted. All submissions should be sent to battlejo@verizon.net
